Are you currently a member of: THSC? HSLDA? Would you like to receive information about: THSC? HSLDA?

Is there anything that we can help you with at this time? _____

About HEART of Texas

Our Mission:

To provide leadership, support, and information, to link people with resources, and to encourage networking and relationship-building within the home school community through communications, activities and events directed at home school support group leaders and families in the Greater Dallas/Fort Worth and surrounding north Texas region.

What We Do:

- ★ Serve as an information clearinghouse for activities, events, and news within the regional area that would be of interest to home school families and support groups.
- ★ Instruct new home school families on how to get started homeschooling in Texas, what Texas laws require, and where to find resources and support to help them begin their home schooling journey.
- ★ Connect families with local support groups within the region.
- ★ Encourage communication between local support groups/support group leaders.
- ★ Assist and encourage local home school leaders by providing resources to help them establish their groups, as well as offering leader training and networking events/opportunities.
- ★ Disseminate information from THSC and HSLDA to local support groups and families.
- ★ Encourage membership in state and national homeschooling organizations: THSC & HSLDA.
- ★ Provide a website and newsletter for our members.
- ★ Host Regional Events: Leadership Conferences, Regional College Night, Curriculum Fairs, Networking Events, etc.
